Introduction

Continuing on with its tradition of revolutionary design and cutting edge technology, CM Storm upstages the competition with its new Enforcer chassis. The new chassis contains a wealth of features coveted by most gaming enthusiasts, including USB 3.0, SSD drive support and a removable/rotatable HDD cage to support easy installation of the highest end video cards.

CM Storm has come up with a design that not only meets the expectations of its customer base, enthusiasts and esports prodigies, but does so within a price range that all will appreciate.

Features

- ⌚ Front I / O Panel with USB 3.0 (internal)
- ⌚ Tool - free for 5.25" device
- ⌚ Dust Filters on bottom and front intakes
- ⌚ Cable management for better cable routing
- ⌚ Reinforced front door protects your vital devices
- ⌚ Supports rear internal 120mm water cooling radiator
- ⌚ Removable & Rotatable HDD cage for convenient installation
- ⌚ Support high-end graphics cards including ATI Radeon HD 5970
- ⌚ Storm Guard™ - security system for safeguarding your gaming peripherals

Specifications

<i>Available Color</i>	All Black
<i>Dimensions</i>	(W) 229 x (H) 484.5 x (D) 523.5 mm (W) 9.0" x (H) 19.0" x (D) 20.6"
<i>Net Weight</i>	8.9 KG / 19.5 lb
<i>Motherboard Type</i>	Micro-ATX, ATX
<i>Case materials</i>	Steel body, ABS plastic, Mesh bezel
<i>5.25" Drive Bay</i>	4 Exposed (one could be converted to 3.5" bay)
<i>3.5" Drive Bay</i>	1 Exposed (converted to 5.25" bay) / 6 Hidden
<i>2.5" Drive Bay</i>	4 Hidden (two converted from 3.5" bay)
<i>I / O panel</i>	USB3.0 x 2 (internal), USB2.0 x 2, Mic x 1, Audio x 1
<i>Cooling system</i>	Front: 200mm Red LED fan x 1, 1000 RPM, 19 dBA Rear: 120mm black fan x 1, 1200 RPM, 17 dBA Top: 200 mm black fan x 1 (optional ; can be swapped for two 120mm fans)
<i>Expansion Slot</i>	7 + 1
<i>Maximum Compatibility</i>	CPU cooler height: 175mm VGA card length: 270mm (with HDD cage) 390mm (without HDD cage)
<i>Power Supply</i>	Standard ATX PS2 / EPS 12V (Optional)

Product Highlights

Removable & Rotatable HDD cage for convenient installation

Tool-free for 5.25" device

Reinforced front door protects your vital devices

Support for USB3.0 (internal)

Support high-end graphics cards including ATI Radeon HD 5970 and NVIDIA Geforce GTX 580

Storm Guard™ for safeguarding your gaming peripherals

Supports rear internal 120mm water cooling radiator

Front 200mm red LED fan provides superior HDD cooling

Removable 2.5" HDD cage
